Profile

Organised, creative, fast-learning and a team-oriented *front end developer*. Seeking opportunities within a service or product company. Switched from marketing to front end development. Treehouse Techdegree certification (proficiency in the fundamentals of *HTML*, *CSS* and *JavaScript*).

Portfolio

https://politylo.xyz

A mobile-first portfolio website designed to demonstrate my skill set through various projects. Technologies used in the projects: HTML, CSS, Sass, JavaScript, jQuery, 3rd-party API, Responsive and mobile-first design.

Work experience

SMM Specialist @ OZKO

Dec 2018 – Jan 2020

- Developed and implemented social media strategy which increased user engagement by 300%.
- Increased website traffic from 100 users/months to over 1000 users/month in just 1 year by developing and implementing a content strategy.
- Was responsible for posting blog articles on the company website. Worked with Wordpress CMS and the HTML post editor.

Pediatrician @ Zhovkva Central Hospital District

Oct 2018 – Dec 2018

- Mastered teamwork skills in stressful situations by working with different members of the medical team.
- Diagnosed, treated, and prevented various physical injuries and diseases in children by providing personalised patient education and patient care.
